Abstract

Please write here the extended abstract of the paper to be presented at the 18th European Young Statisticians Meeting. This extended abstract will appear in the book of proceedings and shouldn't exceed five pages. Then send it by email to *eysm18@mathos.hr* before the 15th of March, 2013.

For references, use the style of the examples below. The references should be in alphabetical order.

Keywords: Maximum 5 keywords separated by comma.

AMS subject classifications: enter here the code of the mathematics subject classification, e.g. 62G09.

1 Introduction

William "Vilim" Feller (July 7, 1906 − January 14, 1970), born Vilibald Srećko Feller, was a Croatian-American mathematician specializing in probability theory (see [2]). For more information on William Feller visit e.g. http://en.wikipedia.org/wiki/William_Feller).
